State of Connecticut Department of Education
Health Assessment Record

To Parent or Guardian:

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part 1) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part 2) and the oral assessment (Part 3).

State law requires complete primary immunizations and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse or registered nurse, licensed pursuant to chapter 378, physician assistant, licensed pursuant to chapter 370, a school medical advisor, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to school entrance in Connecticut (C.G.S. Secs. 10-204a and 10-206). An immunization update and additional health assessments are required in the 6th or 7th grade and in the 9th or 10th grade. Specific grade level will be determined by the local board of education. This form may also be used for health assessments required every year for students participating on sports teams.

Registro de la evaluación de salud de la niñez temprana

Al Padre, la madre o el tutor:

Para poder brindarle el mejor servicio, los proveedores de atención médica de la niñez temprana deben entender las necesidades de salud de su hijo. En la primera parte de este formulario le pedimos información sobre la salud de su hijo. Ésta ayudará a los médicos para su evaluación (Parte II). Antes de poder ingresar a un Programa de la Niñez Temprana, la ley del estado requiere que un médico, enfermera de práctica avanzada, asociado médico, profesional de la salud certificado legalmente o un asociado médico asignado a una base militar realice una evaluación de salud y le haya puesto las vacunas principales Connecticut (C.G.S. Secs. 10-204a and 10-206). Una revisión de inmunización y evaluaciones de salud adicionales son necesarias en el 6° o 7° grado y en el noveno o décimo grado. El grado específico será determinado por la junta local de educación. Este formulario también puede ser utilizado para las evaluaciones de salud necesarias cada año para los estudiantes que vayan a participar en los equipos deportivos.
